

## 2012 World Bocce Championships

**May 19-27, 2012**

### Referee Application Form

The talent pool in the USBF Western Sector is deep with outstanding Punto Raffa Volo players and referees. We are taking on a big challenge with hosting the World Bocce Championships and have the opportunity to display our knowledge and understanding of the game through our performance as referees. A program is being put in place to develop a corps of referees that are consistent in the manner and demeanor with which they perform.

A contingent of both international and USBF certified referees will be assigned duties at the 2012 World Bocce Championships (WBC). It is anticipated that approximately 24-32 USBF certified referees will be utilized.

A selection committee headed by Ron Jacobs has established performance standards and developed an evaluation program for selecting WBC referees.

All interested individuals whether certified or not are welcome to submit this application and can attain USBF certification through successful completion of this program. A CBI Rules certification class and a refresher seminar will be offered as part of the program.

Applicants will be required to referee a designated number of games in the presence of a selection committee member. The evaluator will provide feedback and instruction to assist the individual in meeting the established performance standards.

Please indicate your anticipated availability (including participation in Opening Ceremonies) and submit the application form to: Ron Jacobs

9445 Blackswain Place, Stockton, CA 95219
